2. The activities of the Central Intelligence Group require constant handling of classified matter whose unauthorized disclosure would cause exceptionally grave damage to the nation. It is imperative that the highest degree of security be maintained to prevent either unauthorized disclosures of classified matter or any activity which would impede or impair the objectives sought to be accomplished by the National Intelligence Authority and the Director of Central Intelligence.

6. It is the responsibility of each department required to furnish personnel for duties with the Central Intelligence Group to investigate and effect proper clearance for each individual furnished by their service. Clearance shall include a certification to the Central Intelligence Group to the effect that the individual has been investigated pursuant to provisions of C.I.G. constitute the basis for clearance of an individual for duties with the Central Intelligence Group. It is the responsibility of the Department executing the clearance certificate to assure that the information adequately establishes the individual's eligibility in accordance with the provisions of paragraph 3. In each case of clearance based on a previous satisfactory character and loyalty investigation or on the basis of a minimum of ten (10) years honorable Government service, a check of the appropriate records in the Department of State; Federal Bureau of Investigation; Military Intelligence Division, War Department and Office of Naval Intelligence, Navy Department, will be made prior to the issuance of a clearance certificate.

10. The investigations required by paragraph 8 will be completed by the respective Departments prior to the assignment of the personnel to the Central Intelligence Group whenever possible. However, in cases of personnel already assigned or where the exigencies of the service are such that in the future it is necessary to assign personnel without prior complete investigation, the Department responsible for the assignment will, on the basis of a satisfactory preliminary investigation, furnish an express authorization in writing permitting such individual to have access to classified information pending completion of the full investigation. The authorization will state the reasons for such action and will be retained permanently in the Central Intelligence Group file. The approval of the Director of Central Intelligence or his authorized representative is a prerequisite to such an individual's performing duties with the Central Intelligence Group. The required investigation will then be expedited and clearance effected pursuant to provisions of paragraph 6.

11. All military and civilian personnel assigned to or attached for duty with the Central Intelligence Group will be required to execute a declaration of secrecy which will be administered by the Director of Central Intelligence or his authorized representative.
